The Titus Ten: Foundations for Godly Manhood

Everything in a man's life hinges on the kind of man he is. Yet, none of us is naturally a godly man. That's something we have to learn, pursue, and cultivate. We need a manual to help us.

This book is a manual for becoming the kind of man God intends for you to be, and leading other men to do the same. Taking ten qualities from the Apostle Paul's short letter to his mentee Titus, The Titus Ten will help you grow in your understanding of the gospel, your identity, your character, your doctrine, and more.
